NOTES AND ORDERS.

1) Sri. Affiah was allotted site No 5 at Rs 6/- per sq yd. It is not known at what rate site No 4(A) was allotted to Sri. G. V. Subba Rao.

2) In the case of Sri. Affiah, the odd bit of land is proposed to be sold at Rs 3/- per sq yd and in the case of Sri. G. V. Subba Rao, it is proposed to be leased at Rs 1/- pa. The reasons ~~that~~ for taking this decision are not explained. Instead of the bit being leased to Sri. Subba Rao, it may also perhaps be ordered

to be sold to Sri Subba Rao as in the case of Sri Affiah with the direction that the lits may be sold at the rate at which the original sites who allottes to each of them, subject to the conditions specified by the Govt. In orders

No. 28/3 G.O. 31/3

3) There was a storm water drain between these sites No 4 and 5. Now the drain is diverted parallel to railway line. The spaces measuring 1X1'X6' and 1X6'X6½+6' are proposed to be given two the adjoining Site owners. The proposal to lease at Re1/- P.a. to Sri Subba Rao does not seem to be reasonable. It is better to give these sites at the rate of Rs3/- per sq yds to both, as it is the rate suggested to be recovered from Sri K.H. Appanahally

Sir,

Subject:- Allotment of two odd bits of land to Sri K.K. Appaiah and G.V. Subba Rao in Block IX A of Kumarapark West Extension.

Sri M A 22/3

STR. 3. 34 - 150

I write to state that Sri K.K. Appaiah allottee of site No. 5 in Block IX (A) of Kumarapark West Extension has requested in his application dated 29-12-1954 that the land left out for the Storm - - Water Drain adjacent to his house may be granted to him in order to put up a Compound Wall. Sri G.V. Subba Rao, allottee of site No.4(A), Block IX A of Kumarapark West Extension has also requested in his - - application dated 1-11-1954 for the grant of an additional strip of land kept for storm water drain adjacent to his site.

It is reported by the Engineer Officer that since the new drain in the area is diverted and taken up along the Railway Line the bit of land which was so far reserved to function as a storm water drain may be disposed of to the two applicants.

The spot was inspected by the Board on 4-3-1955 and it was resolved;-

"That the strip of land measuring 1'x4'x61'=27 1/9 Sq.Yds. be allotted to the owner of site No.5 in Block IX A of Kumarapark West Extension, Sri K.K. Appaiah at the rate of Rs.3/- per Sq.Yd. and the strip of land measuring 1' x 6' x $\frac{62+61}{2}$ = 41 Sq.Yds. be granted to Sri G.V. Subba Rao on a lease of Re.1/- per annum and subject to the condition that the land is not built upon and that the authorities of the Corporation or the Trust Board reserve the right of inspection, maintenance and repairs of the Sewer Line running through this land".

P.T.O.

A sketch showing the land in question is herewith enclosed.

I request that approval of Government to the resolution of the Board may kindly be obtained and communicated.

Yours faithfully,
